Baggage to New Zealand
Call us on 0800 783 5322

Anglo Pacific is the UK's largest independent container shipping company and has been shipping baggage around the world since 1978. Our friendly staff know the baggage shipping process inside out so you can be sure of the best advice for the best price. We deliver our promises, so whatever you need to ship, wherever in New Zealand, you can be sure we'll deliver your belongings safely, securely and on time.

Protection from start to finish
We provide sturdy cartons, bubble wrap and packing tape for owner packing and will deliver free of charge throughout the UK. We can also supply ply over-cases for added protection of fragile items, electrical appliances and bicycles and can arrange to professionally pack your belongings to provide the best possible protection throughout their journey.

Nationwide collection
We offer collection free of charge in London, Manchester, Edinburgh and Glasgow and we can collect from anywhere else in the UK. We can even arrange to collect your belongings from Europe. The service is restricted to what one man can lift so please do not exceed 30 kilos per item.

Storage facilities
If you are travelling en route we can arrange to store your goods in transit, or for longer periods, and defer shipment to coincide with your arrival in New Zealand. Alternatively we can arrange to store your possessions on arrival in New Zealand.

Shipment by sea or air
We offer budget friendly sea freight or a much faster air freight or courier service; call us to find out which is best for you. Anglo Pacific is the largest BAR shipper of personal and household effects with Maersk Line and operates to regular sailing schedules with guaranteed container allocations on every vessel. Best of all, we guarantee arrival at destination port within 12 weeks or will refund your shipping costs, subject only to force majeure or other circumstances beyond our control.

Shipment Tracking
Our shipment tracking enables you to monitor the location and status of your goods. All shipping documentation can be found on our website. Please note certain items are prohibited from shipment or importation as illustrated in our prohibited items guide.

Marine transit insurance
We take every precaution to protect your possessions during storage, transit and delivery. In addition, we can advise and arrange comprehensive insurance cover insurance cover for your goods and will help you complete all the necessary paperwork.

Customs & Quarantine clearance
The owner of goods must provide a full list of contents (with receipts) and complete an Unaccompanied Baggage Declaration nzcs218, together with a copy of the passport signature page and visa (if applicable). Personal effects are subject to a physical inspection by MAF Biosecurity New Zealand (MAF); it is essential that any items that may have come into contact with soil or vegetation are thoroughly cleaned prior to shipment, failing which treatment may be required. For further information please refer to our guide to importing personal & household effects into New Zealand.

Final delivery
Our New Zealand partners will take care of all destination customs and quarantine formalities, and arrange kerbside delivery to mainland residence. Each partner has been carefully selected for the quality of their destination services, and forms part of our global network of accredited FIDI specialists.

Complete financial protection
As members of the specialist Overseas Group of the British Association of Removers we are regularly assessed and are bound by the International Movers Mutual Insurance Company Limited's advance payment guarantee scheme, for your financial protection.
